LANGLEY, BC, May 11, 2022 – Basketball BC and the Fraser Valley Bandits will partner to host the British Columbia 3x3 Canada Quest tournament presented by [Essence Properties](#) at Langley Events Centre (LEC) on June 4th and 5th.

“We are excited to work with the Fraser Valley Bandits on our first 3x3 basketball event of 2022, building off of the success of Summer Slam 3x3 in 2021 that saw more than 80 teams and 250 athletes compete across adult and youth divisions last Labour Day weekend,” said Connor Ranspot, Manager of Youth Programs and Special Events for Basketball BC.

“3x3 basketball is growing in popularity in British Columbia and we are excited to work with Basketball BC to provide more opportunities for adult and youth athletes to experience this fast-paced and exciting brand of basketball,” added Bandits President Dylan Kular.

The 2022 3x3 Canada Quest Qualifier represents another exciting component of Basketball BC and the Fraser Valley Bandits' multi-faceted partnership, which has seen the provincial sport organization and professional basketball club partner on a number of initiatives including the 2021 Summer Slam 3x3 tournament and the inaugural BC Basketball Festival taking place this summer between June 16-19.

Teams and athletes will have another great opportunity to experience 3x3 basketball the weekend of September 3-4 at 2022's edition of Summer Slam 3x3, which is set to take place at LEC. Registration will open and further details on Summer Slam 3x3 will be released this summer.

A unique spin on the traditional 5x5 game, 3x3 basketball features only three players per team, a shortened shot clock and game clock, as well as a half-court for the field of play. Games are frequently hosted outdoors in a festival-type atmosphere. FIBA 3x3 tournaments are hosted around the world and the sport made its Olympic debut in Tokyo in the summer of 2021.
