

# Become a Wheelchair Basketball Official With BCWBS

## Why Officiate Wheelchair Basketball?

- Be part of an inclusive and fast-paced sport
- Support athletes from grassroots to elite levels
- Gain unique officiating experience and advance your career
- Join a welcoming, supportive community of officials and mentors

## Transitioning Stand-Up Basketball Officials

What to tell certified stand-up basketball officials interested in expanding their skills.

**“Already love the game? Bring your experience courtside in a whole new way.”**

**“Enhance your resume with an additional officiating certification.”**

### Opportunities:

- Fast-track wheelchair basketball training
- Mentorship from experienced WB officials
- Paid opportunities at provincial and national tournaments

## New Officials Starting Fresh

People with no prior officiating experience (e.g. students, sport enthusiasts, retired athletes). Love sports? Become part of the action as a wheelchair basketball official. No experience needed — we provide training and mentorship.

### Opportunities:

- Entry-level clinics and shadowing opportunities
- Paid event officiating roles
- Supportive community and progressive certification pathway

**Wheelchair Basketball Canada has created a number of learning tools to offer you more information about officiating wheelchair basketball in Canada.**
