CLUB HOSTED CLINICS

If you would like to host an NCCP clinic in your region, email your request to [Shaun McGuinness](#), Provincial Coach. In the email, please include clinic information (location, date, time) and the estimated number of coaches.

The Club is responsible for the arrangement and payment of the facility rental. Basketball BC will arrange for the course facilitator.

The Club is responsible for providing Basketball BC with a list of coaches who are attending the clinic. The list must be in the format prescribed by Basketball BC and must be emailed to the Provincial Coach by the submission deadline – see below. The Coach Information template file will be provided upon approval of the clinic.

The Coach Information file **MUST** be completed for confirmation of clinic attendees for course credit and invoicing of course and coach membership fees:

- **all fields are required**
- **the email address MUST be unique to each coach** – the system will not accept the same email address for more than one person
- **information MUST be legible**
- **completed Excel file is to be emailed to the Provincial Coach at least 2 days before the clinic**

Upon receipt of the confirmed list of attendees by the Course Facilitator after the completion of the clinic, an invoice will be emailed to the Club.

Once the invoice is paid, the coach information will be entered into the applicable online systems by Basketball BC:

- Coaching Association of Canada's (CAC) NCCP Locker (database) for course credit; and
- Basketball BC online registration system for the Basketball BC Coach Memberships
